

Annual Report – Principal’s Message (2025–26)

Mount Litera Zee School Gandhidham

Academic Year: 2025–26

Principal: (VIJAY VERMA)

1. Principal’s Message

Dear Students, Parents, and Staff,

It gives me immense pride to present this annual report highlighting the academic progress, achievements, and holistic development of our students during the 2025–26 session.

At Mount Litera Zee School, our mission is to nurture every child’s potential in a safe, creative, and inspiring environment that balances academics with life skills and values. We focus on fostering curiosity, leadership, integrity, and confidence in our learners so they are prepared for future challenges and opportunities.

Education at MLZS Gandhidham is not just about grades—it’s about empowering students to be innovative thinkers, responsible citizens, and compassionate individuals in a rapidly changing world. Each student’s progress reflects the collective effort of teachers, parents, and the entire school community.

Together, we celebrate all the milestones achieved and look forward to even greater success ahead.

2. Academic Performance & Results

Board Exam Highlights

Mount Litera Zee Schools across India are known for strong academic outcomes and consistent performance in CBSE and other Board exams, often with high pass percentages and many students securing distinctions.

We conduct Continuous in-house assessment programs for measuring academic progress and Improvement in class average marks year-on-year

Regular feedback for enhancement and remedial support are used as student development indicators.

Subject enrichment activities plays important role in making connection between theory concepts and experiential skill base learning.

Increased use of our Zee Learn App Litera Nova and digital learning tools are helping students to get better learning outcomes.

In Academic Year 2024-25 our school GOT EXCELLENT RESULTS for grade 10 & 12 in CBSE Board examinations.
